This Scholarship is distributed in the following manner: \$2500.00
for each of the four years you attend a 4-year college adhering to the following:

1. You are a Full Time Student and maintain a 2.5 GPA in year 2-4
2. You confirm your GPA in year 2-4 by having official "sealed transcripts" mailed to MTEF at PO Box 168 Whiting NJ 08759
3. You Email the MTEF with your eligibility each year at (mantwpef@gmail.com) with: College and bursar's proper mailing, (this is because you could change colleges-but your scholarship is good for the 4 years).
 - a. Once MTEF receives and confirms your info and eligibility, a check written in both your name and the institution will be sent to the bursar to be placed on your account to be used for tuition, fees, books, etc. – To be clear, the check cannot be written to you personally.
 - b. The scholarship terminates under the following circumstances:
 - i. You leave or are removed from a 4-year institution
 - ii. You are no longer a Full Time Student
 - iii. You fall below 2.5 GPA
 - iv. You fail to provide transcripts and / or notify the MTEF of your intent to continue with education in a 4-year College
 - v. To be clear: MTEF will not contact you, you need to contact us to renew the scholarship after year 1, each and every year. If one or two-years lapse, you cannot collect for the years that have passed, only current year you are in. Please be sure to notify us prior to the start of your Fall semester with your documentation.

Enjoy your College life! Make MTEF Proud! Best of luck in your endeavors and keep in touch as we at the MTEF love to hear your progress and successes!
